Dear Chair DeLauro and Ranking Member Granger:

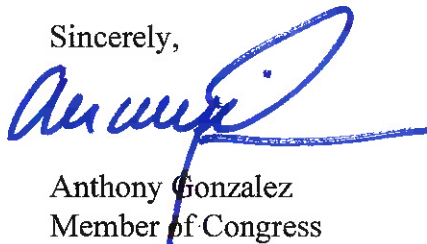

I am requesting funding for the City of New Franklin Vanderhoof Road Pump Station East Project in FY 2023:

The entity to receive funding for this project is the City of New Franklin, located at 5611 Manchester Road, New Franklin, Ohio 44319.

The funding would be used to expand the sewer system into New Franklin, Ohio. The project would be a valuable use of taxpayer funds because it will improve water quality for the community, protect the integrity of the Portage Lakes, and reduce the financial burden on the residents of New Franklin.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anthony Gonzalez  
Member of Congress
